I suppose the Head of Account suggested is the most appropriate? We may perhaps hope that participation in this local Exhibition will give the inhabitants of S. Kanara rather more liberal views about the Forest Dept.

'K' above — Fin. (Exp.)

Para 2 of the draft order specifies the head of account from which funds are to be reappropriated but not the head to which the expenditure is to be debited. As the expenditure is to be incurred by the Forest Officers it is debitable to the head "80 Forest — Establishments — Supplies and Services".

A.

Para 2 of the draft order may be amplified saying that the expenditure will be debited to the head specified at 'A' above and will be met by reappropriation from "8 b Conservancy, maintenance and regeneration".

Similar expenditure in connection with exhibitions has been incurred in the past. Please see whether this expenditure has been debited to S & C. If no information is readily available here, please put up a telephone to C.C's office to ascertain

? even if it was to S.C., I think 'educational' other exhibits' will be more suitable than Supplies & Services, (Cf Reg P.)

Please see the t.m. from the C.C.'s office on page 2 ante. The expenditure in the case referred to therein was debited to the vote for Supplies & Services, though to a different sub-head. (which does not exist now) Please see also Art. 746(2) of the M. F. & Ac., Vol I. Expenditure on "exhibits for a museum should

be charged as [illegible] and terms

In the present case, as the expenditure is to be incurred by [illegible] trustees it seems charged under "I & C Fund - establishment" [illegible]
